1. OBJECTIVES

- 1.1 On 26 March 2012, MAS launched the Financial Advisory Industry Review (FAIR), which was aimed at raising the standards of practice in the financial advisory (FA) industry. One of the recommendations—to raise the level of competence of FA representatives— included implementing a minimum required number of hours of continuing professional development (CPD) training.
- 1.2 The requirement stipulates the following:
- a) All FA representatives are to undergo at least 30 hours of structured CPD training on an annual basis except for representatives who only advise on or arrange mortgage reducing term assurance policies and/or group term life insurance policies. For the latter group, they need only to undergo a minimum of 16 hours of structured CPD training annually; and
 - b) Out of the total number of CPD training hours, all FA representatives are required to undergo at least:
 - (i) Four hours of training in Ethics, and
 - (ii) Eight hours of training in Rules and Regulations.
- 1.3 On 11 April 2018, MAS issued amendments to the Notice on Minimum Entry and Examination Requirements for Representatives of Licensed Financial Advisers and Exempt Financial Advisers [Notice No. FAA-N13]. Out of the core CPD hours, all FA representatives are now required to undergo at least 6 training hours in respect of Ethics or Rules and Regulations, or both, as the case may be. Notice No. FAA-N13 has since been cancelled with effect from 1 April 2024.
- 1.4 With effect from 1 April 2024, Notice FAA-N26 Competency Requirements For Representatives Of Financial Advisers came into effect with the following CPD hours requirements:
- (i) **Core CPD hours:** 6 hours of any of the following training courses:
 - (A) a course in ethics or rules and regulations or both, which is relevant to the type(s) of financial advisory services he or she provides and which is accredited by IBF or SCl;
 - (B) a course in—
 - (BA) any matter relating to the Central Provident Fund;
 - (BB) any scheme established under the Central Provident Fund Act 1953; or
 - (BC) any scheme established under any other statute or by the Government or by a statutory board, in respect of which the Central Provident Fund Board is the administrator, agent or trustee,which is conducted by the Central Provident Fund Board and for which the Central Provident Fund Board issues a certificate of completion.
 - (ii) **Supplementary CPD hours:** the number of hours as specified in Table 3 of MAS Notice FAA-N26, depending on the type of financial advisory service he or she provides, and if he or she provides more than one type of financial advisory service, the highest of the number of hours specified, in training courses which are relevant to the type(s) of financial advisory services he or she provides.
- 1.5 For more details, please refer to [MAS Notice FAA-N26](#).
- 1.6 The courses in Ethics, and Rules and Regulations (Prescribed FA-CPD courses) are to be accredited by the Institute of Banking and Finance (IBF) or the Singapore College of Insurance (SCI) before they can be counted towards the required training hours.
