About SCI

The Singapore College of Insurance (SCI) has been a cornerstone of insurance education for over 50 years, offering a diverse suite of programmes that empower professionals to lead and excel in the ever-evolving insurance industry. With a focus on advanced skills and industry relevance, SCI is your gateway to excellence in insurance.

Why SCI?

Career Advancement

SCI qualifications are designed to accelerate your career in the insurance industry. With our industry-aligned programmes and strong network of global partners, you will gain the skills and recognition needed to progress and succeed in the dynamic industry.

Cutting-Edge Curriculum

Our programmes are designed in collaboration with industry experts to ensure you gain practical insights and enhance your expertise. From foundational courses to advanced specialisations, our curriculum covers all aspects of life and general insurance, risk management, and financial planning.

Expert Faculty

Learn from the best in the industry. Our instructors are seasoned professionals and thought leaders who bring a wealth of experience and expertise providing you with real-world perspectives and cutting-edge strategies.

Networking Opportunities

Join a vibrant community of insurance professionals. Our events, seminars, and workshops provide ample opportunities to connect with peers, industry leaders, and potential employers, expanding your professional network and career prospects.
