

Singapore College
of Insurance

Marine Series

Strengthen end-to-end
marine capability – cargo,
liabilities, hull, war risks,
logistics and energy.

About Singapore College of Insurance

Over 50 Years of Empowering Talent Across 50 Countries That Are Powering the Future of Insurance.

For over 50 years, SCI has been the trusted partner in shaping talent and building capabilities for the insurance industry. From leading-edge training and professional certifications to tailored talent development programmes, we help professionals stay ahead in a fast-changing world. Today, we proudly serve clients across the globe — nurturing a future-ready workforce for the industry's next chapter.

We Help Strengthen Industry Capabilities Across Various Areas

Experience the Difference When Partnering With Us

Programmes Built by the Industry, For the Industry

SCI's industry-driven curriculum, developed with Subject Matter Experts, spans life, general, broking, reinsurance, and sustainability insurance. Our programmes equip professionals with practical expertise to apply knowledge, adapt to change, and lead with confidence in a dynamic insurance environment.

Regional and International Impact

SCI champions talent development across ASEAN and beyond, forging strategic partnerships with renowned International institutions such as the Chartered Insurance Institute (CII) and The American College of Financial Services. Our programmes align with international best practices while being thoughtfully tailored to the evolving needs of the international insurance landscape.

A Strategic Talent Development Partner

SCI addresses the full spectrum of your workforce development challenges - from talent attraction and upskilling to leadership pipeline. Our tailored programmes are designed to build agile, future-ready teams equipped to thrive in a dynamic insurance landscape.

Award-Winning Educational Excellence

Seven-time recipient of the Asia Insurance Industry Educational Service Provider of the Year award, SCI continues to deliver top-tier education that adapts to the evolving needs of the industry.

Tailored Solutions for Corporate Growth

Our customised training - delivered on-site, virtually, or in hybrid formats - provides high-impact skills and drives real business outcomes for your teams.

Pioneers in Sustainable Insurance Education

SCI offers specialised courses in green insurance and sustainable risk management, equipping professionals to navigate and lead in the evolving landscape of sustainable finance.

Customised Corporate Training Solutions (CTS)

Exclusive Learning for the Insurance Industry

At the **Singapore College of Insurance (SCI)**, we understand that every organisation faces unique challenges and priorities. That's why our **Customised Corporate Training Solutions (CTS)** are purpose-built to help organisations empower their employees with the knowledge, skills, and mindset to thrive in today's rapidly evolving insurance landscape. Our dedicated team can work with your organization to create tailored learning experiences that meet your training and development goals.

Why Choose SCI's CTS?

Tailored to Your Workforce

We partner with your organisation to co-create programmes that directly support employee development and align with your strategic goals. From content design to delivery format, every detail is customised for maximum relevance, engagement, and impact.

Grounded in Insurance Expertise

With decades of experience at the heart of the insurance industry, SCI ensures that every programme is anchored in practical, real-world applications and addresses the challenges employees encounter on the job.

Enriched by Global Insights

Through our international network of practitioners and thought leaders, employees gain exposure to the latest industry insights, best practices, and emerging trends shaping the future of insurance.

The SCI Advantage

By investing in SCI's Customised Corporate Training Solutions, organisations can:

- Equip employees with future-ready skills
- Build confidence to navigate industry changes and regulatory shifts
- Strengthen technical expertise and professional judgement
- Develop leadership, collaboration, and client-focused mindsets

For CTS enquiries, contact us at: TT@scidomain.org.sg

All programmes in this Marine Series are available as SCI's Customised Corporate Training Solutions (CTS). Beyond the listed courses, SCI can also tailor additional training - from foundational to advanced topics - to meet your organisation's needs.
