# About Singapore College of Insurance

**For 50 Years, Across 50 Countries, We Have Been Building Capabilities and Nurturing Talent That Are Redefining The Future Of Insurance.**

For over 50 years, SCI has been the trusted partner in shaping talent and building capabilities for the insurance industry. From leading-edge training and professional certifications to tailored talent development programmes, we help professionals stay ahead in a fast-changing world. Today, we proudly serve clients across the globe — nurturing a future-ready workforce for the industry's next chapter.

# Experience the Difference When Partnering With Us

## **Programmes Built By the Industry, For the Industry**

SCI's industry-driven curriculum, developed with Subject Matter Experts, spans life, general, broking, reinsurance, and sustainability insurance. Our programmes equip professionals with practical expertise to apply knowledge, adapt to change, and lead with confidence in a dynamic insurance environment.

## **Award-Winning Educational Excellence**

Recognised as the Asia Insurance Industry Educational Service Provider of the Year six times, SCI consistently delivers top-tier education that evolves with industry demands.

## **Regional and Global Impact**

SCI champions talent development across ASEAN, forging strategic partnerships with international institutions such as the Chartered Insurance Institute (CII) and The American College of Financial Services. Our programmes align with international standards while being thoughtfully tailored to the evolving needs of the insurance industry globally.

## **Tailored Solutions for Corporate Growth**

Our customised training - delivered on-site, virtually, or in hybrid formats - provides high-impact skills and drives real business outcomes for your teams.

## **A Strategic Talent Development Partner**

SCI addresses the full spectrum of your workforce development challenges - from talent attraction and upskilling to strengthening your leadership bench strength. Our tailored programmes are designed to build agile, future-ready teams equipped to thrive in a dynamic insurance landscape.

## **Pioneers in Sustainable Insurance Education**

SCI offers specialised courses in green insurance and sustainable risk management, equipping professionals to navigate and lead in the evolving landscape of sustainable finance.

# Customised Corporate Training Solutions (CTS)

## Exclusive Learning for the Insurance Industry

At the **Singapore College of Insurance (SCI)**, we understand that every organisation faces unique challenges and priorities. That's why our **Customised Corporate Training Solutions (CTS)** are purpose-built to help organisations empower their employees with the knowledge, skills, and mindset to thrive in today's rapidly evolving insurance landscape.

### Why Choose SCI's CTS?

#### Tailored to Your Workforce

We partner with your organisation to co-create programmes that directly support employee development and align with your strategic goals. From content design to delivery format, every detail is customised for maximum relevance, engagement, and impact.

#### Grounded in Insurance Expertise

With decades of experience at the heart of the insurance industry, SCI ensures that every programme is anchored in practical, real-world applications and addresses the challenges employees encounter on the job.

#### Enriched by Global Insights

Through our international network of practitioners and thought leaders, your employees gain exposure to the latest industry insights, best practices, and emerging trends shaping the future of insurance.

### The SCI Advantage

By investing in SCI's Customised Corporate Training Solutions, organisations can:

- Equip employees with future-ready skills
- Strengthen technical expertise and professional judgement
- Build confidence to navigate industry changes and regulatory shifts
- Develop leadership, collaboration, and client-focused mindsets
