The 3-year time bar is applicable for those who do not opt in for the IBF-STs funding. Those who seek the IBF-STs funding are subject to the deadline to pass the examinations for each module as per the Clawback provision.

## Experience Requirement

3 years of full-time business experience is required for the award of the ChFC®/S designation. The 3-year period must be within the 5 years immediately preceding the date of the award. An undergraduate or graduate degree from an accredited educational institution qualifies as one year of business experience.

## Ethics Requirement

If the ChFC®/S holder fails to abide by the Code of Ethics, the SCI has the right to deny the award of the designation and/or suspend the use of the designation in the event that the SCI determines that the ChFC®/S holder has violated the Code of Ethics.

It is the candidate's responsibility to monitor his own time bar for the examination completion of the DPFP or ChFC®/S programme. There will be a proper transitional arrangement for the candidate. This time bar requirement is applicable to those who are not seeking IBF-STs funding. For those who are seeking the funding, Clawback Provision deadlines are applicable.

As a rule, no extension to the time bar will be considered and no related appeal will also be entertained. However, only on a case-by-case basis, approvals are granted for candidates who wish to appeal against the time bar rule. The candidates are required to write in to the SCI at [talk2us@scidomain.org.sg](mailto:talk2us@scidomain.org.sg) with supporting reasons and documentary evidence. In the event the candidate writes in earlier than 30 days before the lapse of the time bar, The SCI will advise him to write in to the SCI again after his time bar has expired. The SCI will also not consider any appeals that are written in 30 days after the time bar's expiry date.
