**DIPLOMA IN GENERAL
INSURANCE AND
RISK MANAGEMENT
(DGIRM) – *Self-Study***

PROGRAMME HIGHLIGHTS

Offered on a self-study basis, the Diploma in General Insurance and Risk Management (DGIRM) programme is developed and awarded by the Singapore College of Insurance (SCI). The programme is a technical and supervisory qualification for insurance staff working across all sectors of the general/reinsurance industry, being a logical progression after obtaining the Cert SCI (General Insurance) and Cert SCI (Reinsurance) certification designations.

In addition to being a valuable qualification in its own right, the programme enables one to progress to attaining the Advanced Diploma in General Insurance and Risk Management (ADGIRM), also developed and awarded by SCI.

For Whom

This designation programme is suitable for supervisors, team leaders and those aspiring to achieve managerial positions; it is also suitable for those wanting to pursue a pathway towards achieving the ACII, CILA Advanced Diploma and/or AIDA™ qualification(s) (see more details inside this brochure).

ENTRY REQUIREMENTS

In order to be registered for the Programme / Examination, the candidate:

- (a) must be at least 18 years of age; and
- (b) should preferably be engaged in financial services activities; and
- (c) must have successfully completed the SCI Certification in General Insurance (CGI) examinations, having passed the Basic Insurance Concepts and Principles (BCP), Personal General Insurance (PGI) and Commercial General Insurance (ComGI) examinations; or having any qualification deemed equivalent and acceptable by SCI; and
- (d) should satisfy any ONE of the following:
 - (i) should possess a minimum of 10 years of formal education; or
 - (ii) should have obtained any academic qualification deemed equivalent and acceptable by SCI; or
 - (iii) should have successfully attained any one of the SCI Advanced Certificates; or
 - (iv) should possess at least two years of work experience in the insurance industry.

OVERVIEW OF MODULES

DGI01 Legal Aspects of Insurance

It aims to provide candidates with a firm foundation of the law and the various legal concepts as they apply in insurance practice. It also highlights the application of the various legal concepts and contractual terms with regard to insurance claims, such as indemnity, subrogation and contribution; as well as the application and operation of the law of agency in the insurance context.

DGI02 Insurance Company Operations

It aims to equip candidates with a good thorough understanding of insurance company operations, beginning with the typical business structures to the manner in which insurance companies are managed, with particular focus on the roles and responsibilities of the company's board of directors and senior management in line with corporate governance best practices. It highlights the various operational aspects within the common functional areas of insurance companies, as well as accounting principles and practices, with the aim of helping to gain a better appreciation of the various financial statements of insurance companies, and how the various financial ratios can be derived to provide an indication of an insurance company's financial strength. It also highlights the criteria that credit rating agencies apply in rating insurance companies, as well as the various regulatory solvency requirements that insurance companies in Singapore must comply with. It also reviews the way technology and the digital age is changing insurance operations and shaping its future.

DGI03 Commercial Property and Business Interruption Underwriting

It aims to provide knowledge and skills to assess, as well as underwrite Commercial Property and Business Interruption Insurance risks. It examines common causes of loss, not to mention the use of surveys and loss control measures to address common areas of risk exposures. It also covers property insurance claims procedures with the calculation and settlement of property claims.

DGI04 Liability Insurance Underwriting

It aims to provide candidates with a firm understanding of the pertinent knowledge and skills required in underwriting the various classes of commercial liability insurance namely, Work Injury Compensation Insurance; Public And Product Liability Insurance; Directors' And Officers' Liability Insurance; Professional Indemnity Insurance; as well as other Specialist Liability Insurance such as Cyber Liability, Product Recall, Environmental Impairment Liability (EIL) Insurance and Terrorism Liability Insurance. It also covers Emerging Risks which could have a major impact on society and industry. It also helps candidates to understand how underwriters evaluate and manage liability risks, in terms of the information required; the common features of liability policies; as well as the underwriting management and risk management aspects for a book of Commercial Liability Insurance business.

*A new version of the DGI01 (8th Edition Version 1.1) and DGI02 (6th Edition Version 1.3) study text will be released on 1st July 2022. The examination based on the new version will be effective from 1st November 2022.

ADVISORY NOTE, STUDENT CONTRACT & WITHDRAWAL POLICY DURING AND AFTER COOLING-OFF PERIOD

All candidates are required to sign an Advisory Note as well as an electronic Student Contract with the SCI before registering for the first module of the DGIRM. The SCI offers a Cooling-Off Period of 7 working days from the date of signing the Student Contract. Should a candidate decide to withdraw from the module registered for, within the Cooling-Off Period, he must notify the SCI by way of electronic mail (email). A full refund of examination fee paid

including one-time registration fee of S\$32.10 (inclusive of 7% GST), if any, will be made within 14 days from the day of withdrawal in such instance. The date of withdrawal must fall within the 7 working days from the day of the Student Contract duly signed. No withdrawal is allowed after the cooling-off period.

HOW TO REGISTER

Candidates are required to sign the Advisory Note and Student Contract before registration for examination of the first DGIRM module. Please provide the SCI with the following information to prepare the Student Contract and send it to your registered email address via DocuSign:-

1. Examination module: (insert the title of your first examination module)
2. Examination date: (insert the examination date of the module above)

Once the Student Contract signing process is complete, candidates can register for the examinations. New candidates are required to sign one Student Contract for the entire DGIRM programme. For subsequent examinations, please check the examination schedule and register for them on the SCI website.

To be eligible for the member's rate upon registration for the DGIRM examinations, candidates are required to ensure their company's email address in "User's Email Address" field is updated, and reflect the correct name of the company in "Name of Employer" field. You can update the email address and employer's name in "Update Personal Particulars" on the Dashboard after logging in to the SCI's user account.

START AND END DATE OF QUALIFICATION

Qualification start date shall be the date of the first registered examination date and the end date shall be the date that the candidate passes his last module, which may be 60 months or earlier.

MINIMUM STUDY HOURS

Candidates are recommended to study at least 100 hours for each Diploma module. However, the study hours vary according to each candidate's experience and ability.

QUALIFYING REQUIREMENTS

To qualify for the Diploma in General Insurance and Risk Management (DGIRM) award, candidates are given 5 consecutive years (or 60 months) from the date of first registered examination date to pass all the 4 modules comprising:

- DGI01 Legal Aspects of Insurance;
- DGI02 Insurance Company Operations;
- DGI03 Commercial Property and Business Interruption Underwriting; and
- DGI04 Liability Insurance Underwriting.

TIME BAR FOR COMPLETION

Candidates are given 5 consecutive years (or 60 months) from the date of first registered examination date to pass all the above mentioned 4 modules. Should the candidate be absent or decide to transfer his first registered examination date to another date, the time bar will still start from the first registered examination date. Modules passed or exempted exceeding 5 years (or 60 months) from the date of first registered examination date are considered outdated passes and will not count towards meeting the DGIRM qualifying requirements. If the candidate does not complete all the modules within this time limit, the modules previously passed or

exempted will no longer be valid and the candidate will be required to restart the DGIRM programme and sit for all the modules.

It is the candidate's responsibility to monitor his own time bar for the examination completion of the DGIRM programme. The SCI will not send any notification to remind the candidate in this respect.

If there are any changes to the modules, the SCI will make every effort to ensure that the candidate is not disadvantaged by such changes. There will be a proper transitional arrangement for the candidate.

RELEASE OF SMART RESULT SLIPS AND SMART CERTIFICATE PARCHMENT / TRANSCRIPT

Candidates who have successfully passed the examinations for the respective modules will be issued with SMART Result Slips sent to the email addresses on our records. Those who have been unsuccessful will receive an email notification from the SCI. Please see "SMART Result Slips Release Dates" as shown on page 3. Candidates who pass DGI01 to DGI04 examinations will be issued with a SMART Certificate Parchment for DGIRM together with a SMART Transcript within a month after all the required modules, DGI01 - DGI04 have been completed and passed. No hard copies will be issued.

CPD HOURS

3 hours per module will be awarded upon passing the examination.

DESIGNATORY LETTERS UPON ACHIEVING THE QUALIFICATION

Upon successful completion of the all examination modules within the specified time frame, candidates will be eligible to use the certification designation: Dip SCI (GI & RM).

REFUND POLICY

No refund is allowed after the cooling-off period.
