FOR WHOM

- Reinsurance Practitioners with 3 to 5 years of work experience.
- Reinsurance Executives in Insurance companies wishing to gain a better understanding of the meaning and application of the various types of treaty wordings and clauses.

PROGRAMME HIGHLIGHTS

Reinsurance documentation used in 2017 is in many cases substantially more complex than that used even 5 years ago. Through the use of case studies, lectures and practical exercises, this 2-day programme aims to equip participants with the confidence and ability to comprehend, prepare and/or check reinsurance documentation with a more questioning and professional approach.

Although there will be some discussions on Facultative wording, e.g. with regard to Contract Certainty and to highlight differences vis-à-vis Treaty wording, this programme will deal mostly with Treaty wording. Nevertheless, this will be an excellent programme to cement the participants' overall knowledge of reinsurance.

KEY LEARNING OUTCOMES

By the end of the programme, participants will be able to:

- Confidently and effectively check and/or prepare Reinsurance documentation.
- List and explain the purpose and implications of the key Clauses.
- Describe the additional Clauses/Conditions necessary to achieve Contract Certainty.
- Apply the relevant knowledge and skills to workplace situations involving the drafting, preparation and checking of Reinsurance contracts.
