

ASEAN SCHOOL OF INSURTECH, ANALYTICS & INNOVATION (AIAI)™

Developing Digital Talent for Insurance

An initiative of ASEAN Insurance Council

A concept by SCI

ASEAN CERTIFICATE IN INSURTECH 4.0

Delivered on Award Winning Mobile Learning Platform

[REGISTER](#)

ABOUT THE CERTIFICATE

This certificate aims to provide participants with a broad overview of the insurance industry, key aspects of insurance operations, principles of insurance and insurance innovation.

Participants will also explore and understand the fundamentals of artificial intelligence and machine learning, how blockchain works, fundamentals of cloud computing and Internet-of-Things (IoT).

As Emotional Intelligence (EI) becomes increasingly crucial in today's world, participants will understand the fundamentals of EI, the four-domain model of EI, and the importance of client-centeredness. Additionally, participants will appreciate the importance of design-centeredness, understand the fundamentals of design thinking and how it improves customer experience.

FEE PER PARTICIPANT

Course Fee

S\$107.54 (Inclusive of 7% GST)

Date(s): Access provided for 1 month from confirmation of payment receipt.

ABOUT THE SCHOOL

An initiative of the ASEAN Insurance Education Committee (AIEC) and endorsed by the ASEAN Insurance Council, the ASEAN School of InsurTech, Analytics & Innovation was first conceived by the Singapore College of Insurance (a member of the AIEC) in November 2018.

In April 2018, the DIGITAL ASEAN was launched by the World Economic Forum (WEF) to fully unlock the benefits of the 4th Industrial Revolution. One of the pillars focuses on developing the human capital pool in ASEAN and to ensure that ASEAN citizens have the skills needed to thrive as digital disruption creates both risks and opportunities for workers. The aim is for the ASEAN School to align with the vision of the WEF DIGITAL ASEAN by training up the ASEAN insurance workforce in digital skills and to leverage on the initiatives under DIGITAL ASEAN.

REFUND POLICY

Online learning programmes are **NOT ELIGIBLE** for refund and cancellation once payment has been made.

Please Note : If you fail to complete the requirements within the one-month access period, you will have to re-register and pay the first-timer fee again.

Please note that it is the candidate's responsibility to monitor his or her own access period for meeting the online learning and assessment completion requirements accordingly. SCI WILL NOT send any notification to remind the candidate in this respect.

Access to the online contents is immediate after confirmation of payment receipt. Should you encounter login issues, please try again a few hours later. Your progress will also be tracked by SCI.
