Key Emerging Liability Risks - Underwriting & Claims

[Register Here](#)**Venue: To be advised****Dates: 16 & 17 Apr 2024****Time: 9.00 a.m. to 5.00 p.m.**

Programme Highlights

In recent times, the world has changed dramatically, resulting in new and a greater variety of emerging risks to businesses and consumers. This 2-day programme will outline the legal liability exposures that could arise from economic growth and productivity while examining whether current Liability Insurance underwriting and claims capabilities are adequate to handle them. It specifically covers the underwriting and claims aspects of key emerging liability risks.

For Whom

Underwriters and Claims Practitioners of Insurance and Reinsurance companies, Insurance and Reinsurance Intermediaries, Loss Adjusters, Risk Surveyors and Risk Managers with more than 6 years of work experience in their respective capacities.

Key Learning Objectives

At the end of the programme, participants should be able to:

- Identify and understand new and emerging legal liability exposures arising from developing economic trends across the world.
- Understand whether existing Liability Insurance capabilities and products are adequate to manage the new exposures.
- Know how existing Liability Insurance capabilities and products can be enhanced or modified to manage the new exposures.
- Underwrite emerging liability risks effectively
- Handle emerging liability insurance claims effectively

Programme Outline

- How developing economic trends give rise to new and emerging liability risks.
- What are the major emerging liability risks?
- How existing Liability Insurance capabilities and products are handling these risks.
- How existing Liability Insurance capabilities and products can be enhanced or modified to manage the new exposures.
- Underwriting aspects of key emerging liability risks
- Handling claims arising from key emerging liability risks
- Case studies: underwriting and claims aspects of key emerging liability risks

Programme Leader

Joseph Kung has more than 20 years of insurance experience comprising Loss Adjusting, Claims Management, Specialist Broking/Advisory/Consultancy functions, and Casualty Underwriting within the direct insurance and reinsurance capacities.
