Mode: Virtual Instructor Led Training

Date: 2 July 2024

Time: 2.00 p.m. to 5.00 p.m.

Programme Highlights

During this engaging half-day online seminar, a comprehensive introduction to motor fleet insurance will be offered, including essential insights and updates. The latest legal and technological advancements influencing policy modifications and coverage will be delved into. Additionally, the exploration will cover the methodologies used by insurers in determining premiums for motor fleet insurance and strategies for securing optimal terms for clients. The seminar culminates in a comparative analysis of UK and Singapore legal frameworks and practices.

For Whom

- Underwriters and brokers seeking to know more about motor fleet insurance
- Insurance marketing personnel and agents seeking to develop motor fleet insurance business
- Insurance claims handlers, adjusters and surveyors handling motor fleet claims
