Reinsurance Plus

[Register Here](#)

Venue: To be advised

Date: 26, 27 & 28 Aug 2024

Time: 9.00 a.m. to 5.00 p.m.

Programme Highlights

This 3-day programme primarily aims to provide an opportunity for those involved in reinsurance to learn, confirm, clarify and expand their reinsurance knowledge. It works extremely well as a follow-up to our very successful The “Nuts & Bolts” Of Treaty Reinsurance: Proportional & Non-Proportional Reinsurance series of programmes. Considerations of structure and pricing will be an integral part of the programme. In addition, participants will learn about how the main classes of insurance may differ when it comes to reinsurance, e.g. Life and Marine.

For Whom

- Reinsurance Practitioners with 4 to 6 years of work experience, and especially those who have previously attended The “Nuts & Bolts” of Treaty Reinsurance” programmes.
- Other Practitioners who wish to gain a more in-depth understanding of the various reinsurance concepts and issues.

Key Learning Objectives

At the end of the programme, participants should be able to:

- Highlight the issues and factors to be considered in arranging and structuring a Reinsurance programme.
- Consider the various pricing considerations in differing Reinsurance decisions.
- Discuss the ramifications of various permutations of Reinsurance programmes designing and selecting the most appropriate Reinsurance programme, to meet the specific needs of the company.
- Understand the impact of the Reinsurance Cycle on all Reinsurance decisions.

Programme Outline

- **Do we need Reinsurance?**
- **What type of Reinsurance?**
- **How much Reinsurance?**
- **How much might it cost?**
- **The Impact Of Reinsurance Decisions:**
 - A full review of possible permutations of a reinsurance structure.
 - The impact of some of the possible decisions.
 - Differing insurance classes – do they have different reinsurance requirements? e.g. Life, Marine, Liability.
- **A Consideration Of “Other” Reinsurance Products.**
 - e.g. Drop Down Covers:
 - » Catastrophe Aggregate X/Ls
 - » Reinstatement Back Up
 - » Reinstatement Premium Protection
 - » Clash Cover
 - » Umbrella Cover.
- **Will It All Work?**
 - Some consideration of “what if” simulations.
 - How to review some of the decisions - with less information than apparently necessary.

Programme Leader

Peter Cave has over 40 years’ of working experience in the international reinsurance market, the majority of his time being with a leading international reinsurance broker.
