Mode: Face-to-Face Training

Date: 22 November 2024

Time: 9.00 a.m. to 1.00 p.m.

Programme Highlights

Divorces have become quite common these days, underscoring the importance of understanding the legal and financial aspects of divorce. This insightful programme covers a breadth of the current and recent aspects of divorce from how one gets divorced and how marital assets are distributed to nuptial agreements and international divorces.

This well-rounded programme also looks at whether divorces can be avoided in the first place. We look some factors that contribute to lasting and loving relationships. And if divorce is inevitable, we look at how divorces can be friendlier through mediation, which avoids going to court, reduces stress and produces good outcomes especially when children are involved.
