QUALIFYING REQUIREMENTS

for ChFC®/S

Education Requirement

A candidate must pass all examinations/assessments and meet all other course requirements for all 9 modules within the 5-year time bar. A candidate must pass all examinations for all 6 (six) modules within the 3-year time bar from the date of first DPFP examination registered for. It is the candidate's responsibility to monitor his own time bar for the examination completion of the DPFP programme. The SCI will not send any notification to remind the candidate in this respect. The 3-year time bar is applicable for those who do not opt in for the IBF-STF funding. Those who seek the IBF-STF funding are subject to the deadline to pass the examinations for each module as per the Clawback provision.

Experience Requirement

3 years of full-time business experience is required for the award of the ChFC®/S designation. The 3-year period must be within the 5 years immediately preceding the date of the award. An undergraduate or graduate degree from an accredited educational institution qualifies as one year of business experience.

Ethics Requirement

The Code of Ethics Certificate is issued to the ChFC®/S holder who is deemed to agree to abide by the Code of Ethics for as long as he is a holder of the designation. If the ChFC®/S holder fails to abide by the Code of Ethics, the SCI has the right to deny the award of the designation and/or suspend the use of the designation in the event that the SCI determines that the ChFC®/S holder has violated the Code of Ethics.

Note: It is the candidate's responsibility to monitor his own time bar for the examination completion of the ChFC®/S programme. SCI will not send any notification to remind the candidate in this respect.

TIME BAR

Requirement

DPFP candidates are given 3 consecutive years (or 36 months) from the date of first registered examination date to pass all the 6 DPFP modules. ChFC®/S candidates are given 5 consecutive years (or 60 months) from the first registered ChFC®/S examination. DPFP candidates who would like to proceed with the ChFC®/S programme are given another 2 consecutive years (or 24 months) in addition to 3 consecutive years from the date of first DPFP registered examination date to pass the additional 4 ChFC®/S modules for the award of the ChFC®/S designation. It is the candidate's responsibility to monitor his own time bar for the examination completion of the DPFP or ChFC®/S programme. DPFP modules passed or exempted exceeding 3 years (or 36 months) from the date of first registered examination date are considered outdated passes and will not count towards meeting the DPFP qualifying requirements. Similarly, ChFC®/S modules passed or exempted exceeding 5 years (or 60 months) from the date of first registered examination date are considered outdated passes and will not count towards meeting the ChFC®/S qualifying requirements.

If the candidate does not complete all the modules within the time limit, the modules previously passed or exempted will no longer be valid and the candidate will be required to restart the DPFP or ChFC®/S programmes (whichever is applicable) and sit for all the modules. If there are any changes to the modules, SCI will make every effort to ensure that the candidate is not disadvantaged by such changes. There will be a proper transitional arrangement for the candidate. No extensions to the time bar will be considered. No related appeals will also be entertained. This time bar requirement is applicable to those who are not seeking IBF-STF funding. For those who are seeking the funding, Clawback Provision deadlines are applicable.

CONTINUING PROFESSIONAL DEVELOPMENT (CPD)

Requirement

The holder of ChFC®/S designation must fulfil a Continuing Professional Development (CPD) requirement of 30 hours every two (2) years. If the holder attains the designation in year 2022, the accumulating period will be from year 2023 to year 2024. The CPD hours earned per accumulating period must be from educational activities in acceptable subject matter areas. The holder needs to maintain accurate records of all CPD activities he undertakes, along with a corresponding CPD hours tally, to verify that he complies with the CPD requirements. These records should be kept for at least 12 months after the accumulating period in which the activities occurred. The SCI may request the holder to submit the records for checks if necessary. Should there be a finding that the ChFC®/S holder does not comply with the Continuing Professional Development (CPD) Requirements, he will not be allowed to use the designation till the required CPD hours have been fulfilled accordingly.
